Work Experience

Compositing in TV at Televisa San Angel, CDMX, Mexico.
January 2022 - Present
I currently work as a compositor for television series.

Compositing and 3D Animation at Kromasol, CDMX, Mexico.
October 2020 - August 2021
I was a compositing artist, film editor, and 3D animator por advertisment in social media platforms. The biggest achievement was videomapping at Pepsi Center Mexico for an audience of 3500 people.

Film Editing and 2D Animation at Ríe Animation, CDMX, Mexico.
August 2020 - October 2020
I animated 30 educational videos for the Instituto Panamericano de Alta Dirección de Empresas (IPADE). The skills I reinforced were punctuality and organization.

Film Editing and 2D Animation at Univision, Mexico City, Mexico.
February 2020 - April 2020
I created lower third animations and logo idents.
In addition, I edited videos for the sports channel TUDN.

Compositing and 3D Animation at University of York, England.
September 2018 - October 2019
I collaborated in six shortfilms while I was doing freelance work at the University of York.

Film Editing and 2D Animation at UPSOCL, Mexico City, Mexico.
January 2018 - August 2018
I was in charge of the production and postproduction of videos. And I worked with brands such as BIC & Adidas.

Film Editing and 3D Animation at ID Carso, Mexico City, Mexico.
May 2016 - June 2017
My worked focused on the storytelling of the projects and 3D Modeling for virtual reality projects. The skills I developed include leadership, innovation, creative thinking and teamwork. And some of the companies I created augmented reality projects include Nestle, WWF, Interjet, and Formula one.
